APPROVAL

OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. It is understood that the 0.0009 c.f.s., herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. A suitable measuring device must be installed and accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State retains the right to regulate the use of the water herein granted at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This permit is issued with the express understanding and on the condition that existing grazing use of the public range by authorized users or permittees will not be impaired or adversely affected by approval and issuance of this permit.

This permit is issued with the understanding that the final duty of water will be dependent upon the total number and types of wildlife utilizing the source and shall not exceed the diversion rate permitted herein.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to

exceed 0.0009 cubic feet per second, or sufficient to water 20 wild horses, 10 burros, and other wildlife.

Work must be prosecuted with reasonable diligence and be completed on or before May 17, 1992

Proof of completion of work shall be filed on or before June 17, 1992

Application of water to beneficial use shall be made on or before May 17, 1994

Proof of the application of water to beneficial use shall be filed on or before June 17, 1994

Map in support of proof of beneficial use shall be filed on or before N/A

Completion of work filed JUN 1 - 1993

Proof of beneficial use filed JUN 06 1994
